Flabob Airport Veteran's Day Air Show
November 10, Saturday
Set up by 8:00 am
Showtime 9:00 am - 4:00 pm

There will be planes, cars, engines and tractors at this year's Veteran's Day event. Set up by 8:00 am. The cafe will be open throughout the event. The address is 4130 Mennes Avenue, Riverside. We will be located between the two long hangars. See Don Young for parking passes.

Fall on the Farm at the Fairplex
November 18, Sunday
Set up by 6:30 am
Showtime 9:00 am - 3:00 pm

WAPA's recent participation at an event for school kids at the Fairplex created a lot of enthusiasm for our club. There is another event at the Fairplex, Fall on the Farm, and we've been invited to attend. It's a family-oriented event intended to educate the spectators about our agricultural industry. From White Avenue, turn into Gate 12. Go past the guard shack and turn left so you're paralleling White. Just past the asphalt parking lot on your right will be a dirt parking lot. Parking Security will point you toward our set up area.

FOR SALE

Avery Model V Tractor, 1947, runs well, some noise in transmission, tin is great, like new tires, new lights, new wire harness, new muffler, \$2,500.00; Roger Hahn 626-826-0690.

President's Report By Ron Haskell

I want to start out by thanking all the tractor drivers at Cal Poly, especially the iron men Dan Kato and Joe Siddons who drove every weekend. I think they could make the circle in their sleep by now. Bob Smith has almost been living over there. and I'm sure he will be glad when it is over. Just a little bit longer and we will need to service all the equipment and make sure it is in top shape before needing it again.

At the last meeting Roger Hahn announced the list of prospective officers for next year. At the November 3 meeting we will vote if we have more than one person for a position. No one volunteered for president so we will see what the procedure is.

We were recently contacted by the family of a former member wanting to sell some of his engines. They gave us a list and I thought it sounded familiar, I looked at some old show pictures and found his display and the engines that are for sale. The show was at Etiwanda in 2005, what are the chances. There will be more info and pictures in this issue, let's help them out by finding good homes for the collection. Photos and descriptions are shown on page 3.

WAPA BOARD OF DIRECTORS MEETING
SATURDAY, NOVEMBER 3, 2018
9:00 A.M.
AGRISCAPE BUILDING AT CAL POLY
(NEXT TO THE FARM STORE)

Cal Poly Pumpkin Festival By Ron Haskell

With a crowd of over 20,000 on Saturday and more expected on Sunday, this was our biggest show of the year. The weather was great, our display area perfect, as all who entered had to travel by three sides of our display. The pedal powered water pump clocked over 65 miles, and had almost a constant line of kids young and old to try it out.

Thanks to those who participated: Roger Hahn, Carey Stockton, Bob Smith, Stevie Mote, Paul Liverman, Paul Montgomery, Tom Denson, Merle Morse, Tim Neely, Lance and Stephanie Wilson. And our tractor drivers Dan Kato and Joe Siddons.

Arriving around 6:30 in the morning and leaving after 5:00 in the evening made for a long day, but for me it was a fun time. We could have used more displays, I hope to see more of you out next year to make the show even bigger and better.

Yes! The sign says 930 pounds!!

Reports	
President	Ron Haskell mentioned that members should be safe when operating the old tractors owned by WAPA and Cal Poly. Each model is different and the member should take time to familiarize themselves with the operation of the tractor before taking it onto city streets or pulling the public on a hay ride. It was brought up that WAPA needs a certification program such as Vista has before volunteers operate a tractor at the flower fields. The matter will be turned over to the safety director Don Young.
Vice President	Carey Stockton had nothing to report.
Secretary	Acting secretary Bob Smith made a motion to approve the minutes of the September 1, 2018, meeting. Second by Joe Siddons. All in favor.
Treasurer	Kelley Garcia gave an update on financials with total income YTD at \$8,905, expenses at \$10,267, and investments up YTD \$5,397.
Membership	Jim Davis announced membership stands at 165 with no new members. Member Julius Schnell was moved to life membership.

Shows	Rob Skinner reminded the membership of upcoming shows for November. Flabob on November 10, and Fall on the Farm on November 18.
Library	Joe Siddons had nothing new to report
Museum	Bob Smith announced that the windmill is up but needs to be hooked up to pump water.
New business	The club 15hp Fairbanks needs the Mag worked on. A team needs to be formed to clean up the 80hp Western and build some kind of roof over it. A team needs to be formed to clean up the John Deere Thresher.
