PRESIDENT'S LETTER

Just wrapped up the year with a board meeting and fun day at the Heritage Park in Glendora. Members John and Val DeLazzaro operate the museum for the city and got approval for WAPA to come out and have a good time. Val, what a trooper, came out after breaking her right foot and spraining her left knee. Nothing was going to keep her from our event. The weather couldn't have been better so members started to arrive with engines to show off. Not a lot for sale but some engines changed hands that day. After the board meeting, members meandered around looking at engines and talking to fellow participants and munched on cookies and cheese nachos supplied by Carey Stockton and his wife. At around 11:30, it was time for lunch which was catered by the taco man. You had your choice of beef, pork, or chicken on a soft corn tortilla along with rice and beans. Stephanie Wilson was serving corn on a stick with butter or a special blend of sour cream. After lunch the desert came out. Lance Wilson was serving his special Claim Jumpers pies along with Mitchell Reichwein's homemade ice cream from an old electric churn plugged into an old military generator. No time for a nap after eating all that food because there was still time to sit around and talk shop or solve all the problems in the world. Total count was over 40 present and I do believe, fun was had by all. A big thanks for all that prepared the event and to all those volunteers that helped serve food.

Next meeting will be December 5, 9:00am at Larry Madole's yard.
